You are fully protected! Choose Lians Home Services Inc for your carpet cleaning and get the service you deserve!

### **1. carpet and rug cleaning**

Carpet and rug cleaning is essential to the quality and upkeep of these areas. By having a regular professional clean, you will increase the lifespan and durability, as well as ensuring they are free of dirt, hair, and other debris. At Lians Home Services Inc, we offer a professional and affordable service for carpet cleaning in Indianapolis IN that will leave your carpets and rugs looking brand new. Our service is the perfect way to take care of your carpets with zero stress.

### **2. upholstery cleaning**

Like with carpets, having upholstery professionally cleaned is the ideal way to keep it looking new for longer. By paying for this unknowingly important service, you will get more life out of your upholstery, as well as ensuring these areas are as clean as they can be. Our upholstery cleaning includes types of items in your home, from sofas and curtains to cushions and outdoor seating. Whatever job you need doing, no matter the size, we are the perfect option for you!

### **3. tile and grout cleaning**

Over time, tiles and grouting get dirty, stained, and even start to develop mold. It's important these areas are cleaned both for hygiene and aesthetic purposes. However, many people don't have the time nor the tools to do the job! But that's why we are here to do it for you!. Lians Home Services Inc is your best choice for a hassle-free service!

## **Do You Move Furniture While Cleaning Carpets?**

Yes! So that we can reach every inch of the carpets, we remove any furniture that's in the way prior to us starting the clean. Our team is always careful during this process so as to not damage any part of your home or furniture.

## **How Do You Perform Carpet Cleaning?**

To give you the best results for our carpet cleaning in Indianapolis IN, we follow a strict cleaning process. First, we prepare the area. This means vacuuming the carpets, rugs, or upholstery. Then we apply a pretreatment that is completely harmless to all surfaces. Finally, we use high-grade cleaning equipment to give these areas a thorough and deep clean. The final result will be fantastic, and your home will smell great!

### **How Often Should My Carpet Be Cleaned?**

Ideally, you should have your carpets professionally cleaned once every 12-18 months. However, the frequency will depend on your particular circumstances, but we are happy to offer more personalized advice if you would like to get in touch with us.

### **How Much Does Carpet Cleaning Cost?**

At Lians Home Services Inc, we always want to give you the lowest prices! To do this, we offer a free, tailored quote to anyone interested in our carpet cleaning in Indianapolis IN. With a personalized quote, you will only ever pay for exactly the work you need doing, and our quotes never have any hidden costs!
